

K.S. SCHOOL OF ENGINEERING AND MANAGEMENT, BENGALURU-560109
DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science and Engineering, KSSEM has conducted Seminar on “Center of Excellence Awareness Programme” in collaboration with Quantum Learnings - Center of Excellence on 25th November 2021 from 10:30AM to 11:30 AM, for the students of ECE and 11:30AM to 12:30 AM, for the students of CSE. The event was presided by the Principal Dr. K Ramanarasimha, Dr. Vandana Jha, Head, Dept.of CSE, Dr. Girish Attimarad, Head, Dept. of ECE along with the speakers Mr. Sandeep Jethani, Founder, Quantum Learnings and Mr. Rajkumar Bhunia.

The event started at 10.30 AM with the welcome address by Ms. Nagaveni Nimbal followed by the introduction of speakers to the audience. Principal Dr. K Ramanarsasimha addressed the gathering about the significance of Center of Excellence. The HoD, Dept of CSE, Dr. Vandana Jha addressed the students about the programme and how they can be benefited from the same.

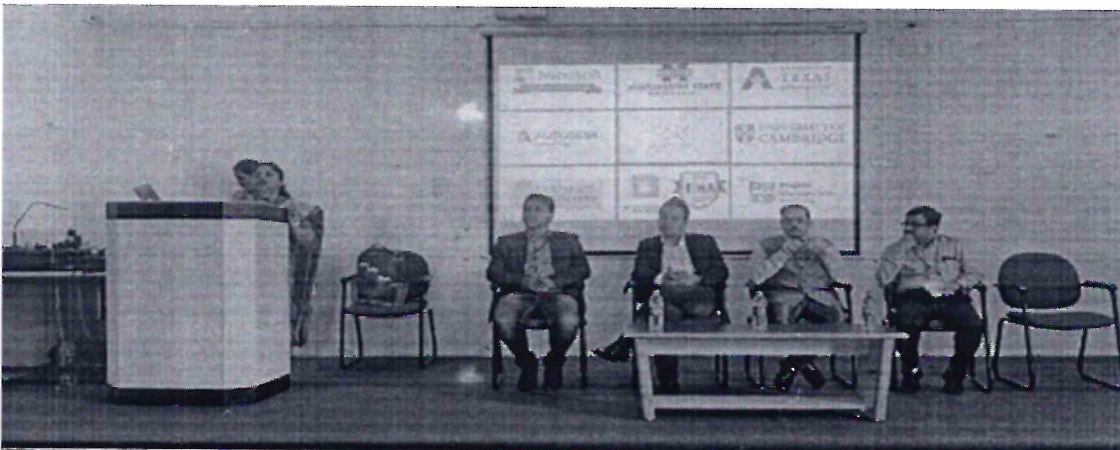

Welcome Address

Introduction of Speaker Mr. Sandeep Jethani

Address by Principal Dr. K Ramanarasimha

Address by HoD Dr. Vandana Jha

The session was taken over by Mr. Sandeep Jethani and Mr. Rajkumar Bhunia.

Speaker Mr. Sandeep Jethani

Concepts covered in Seminar:

- Why Internship
- Overview of the Internship Training
- Certifications Provided.
- How to get Scholarships.

The speaker Mr. Sandeep Jethani explained about the importance of Internship programmes. He gave information about the Global online exams accepted worldwide for jobs and eligibility at various universities. AICTE has made Internships must for Engineering students. Also, through Internship programs students can be prepared for employment with good salaries. The students can get 4 certifications as the outcome of the programme.

He mentioned the list of certifications provided after the training program and also how they can get scholarships based on the certification. This certification is in collaboration with Microsoft Educator Center, Google Analytics Academy, Knowledge Solutions India Pvt. Ltd., and Certiport. The authenticity of these certifications can be checked and each comes with lifetime validity and a unique ID.

Mr. Sandeep Jethani informed the students about the Winter Internship Training bundled with International Certifications and the programs available in the areas like Data Science, Machine Learning, Cyber Security Applications of AI & ML in Electronics and Telecom Industry.

He mentioned about the job offers by companies like Infosys, Wipro, TCS, Cognizant etc., for freshers with new age skills with the newspaper articles and how the Internship

programmes can help them in this regard. The lockdown accelerated digitalization due to which AI & ML is used in the Industry and about 149 Million jobs will be created by 2025.

Lastly he explained about the scholarships provided and the process to get scholarships. Also, Quantum Learnings will be providing Letters required for future jobs or studying abroad on the requirement basis.

Faculties and students in the programme.

Students of 3rd and 5th sem and faculties actively participated in the seminar. The final outcome of this Seminar is to educate the students about the Internship Programs and Scholarships provided by Quantum Learnings. The event concluded with vote of thanks by Ms. Nagaveni Nimbal.
