## Letter of Recommendation

With immense pleasure, I am writing this reference letter in support of *Mr. Rajat Shivashankar* who is applying to the Masters in Science programme at your esteemed University. I have known Rajat Shivashankar in my capacity as his professor for over four years now during which, I taught him the courses of 'Computer Integrated Manufacturing ' and 'Hydraulics & Pneumatics', in the sixth and seventh semesters, respectively. Through my observation, I would like to say that he is attentive and studious and possesses a positive attitude towards academics.

Throughout the year, Mr. Rajat Shivashankar was an active participant in our discussion, and he always supported his peers. I am certain that Rajat Shivashankar is going to continue to do great and creative things in future and stand out as an individual at your school.

I have the deepest personal and professional respect for him, and sincerely believe Rajat Shivashankar will bring his unique energy, optimism, passion, and tireless creativity to your class and University as a whole. Thus, he has my highest endorsement for admission into his desired course at your university. If you have any queries about this recommendation, please do contact me for I will gladly try to help.
