Free Covid-19 Vaccination Drive

“A detailed report of the activity conducted on 13-11-2021”

Conducted by

National Service Scheme (NSS)

KSSEM, Bengaluru - 560109

Report on activity conducted

India officially launched its COVID-19 vaccination drive on 16 January 2021, with two approved vaccines – Covishield and Covaxin.

Covaxin is an Inactivated whole virion type of vaccine developed by Bharath Biotech and is Manufactured by ICMR.

Covishield is a non replicating simian Adenoviral vector type of vaccine developed by Oxford-AstraZeneca and is manufactured by Serum institute of India.

Vaccines — during the pandemic in particular — are made for use, and this is happening to the fullest. India is amongst the largest vaccine users and manufacturers in the world. Our responsibilities nationally and internationally are immense. The Health Ministry and the Ministry of External Affairs are also in step to make sure that India meets our international responsibilities keeping in mind that all of us need to be safe for each of us to be safe.

NSS Cell KSSEM has planned to organized one day **Free Covid-19 Vaccination Drive** for the Students and Staff (teaching & Non-teaching) of KSSEM and KSSA.

We approached the Principal and Management of KSSEM to conduct Free Covid-19 Vaccination Drive for the Students and Staff (teaching & Non-teaching) of KSSEM and KSSA. They encouraged and gave us the permission to conduct the Vaccination drive with safety measures.

We have approached the officials of **BBMP Anjanapura** to vaccinate our college students and staff, they willingly accepted and they fix the date to vaccinate the students and Staff members. They decided to come on 13-11-2021 and we have prepared for the event to conduct. The **NSS Volunteers and Coordinators** have supported and coordinated well to make the vaccination drive a success.

At the beginning of college First Dose vaccination drive was successfully conducted and now we have conducted the drive who haven't taken second dose vaccination.

We have given vaccination to not only to students and staff, parents also have taken part in this drive.

Figure – 1: Shows that the students are making a line to take vaccination. We have taken all measures that sanitizing the rooms, temperature check and make them to follow social distancing etc.
