Likewise, you may not be allowed to attend classes if originals of these are not provided.

Tuition Fees

The University will charge tuition fees in accordance with the 'Tuition Fee Terms and Conditions and Refund Policy. **Please ensure that you read the 'tuition fee terms and conditions'**':

<https://www.coventry.ac.uk/the-university/key-information/registry/withdrawal-refunds/>

This offer is produced on our understanding that you are an overseas fee payer. If for any reason you believe you are a Home student, you need to complete a fee assessment form and provide all supporting documents for us to assess and confirm your fee status. We will need this completed at least 8 weeks to the start of your course. No applications for fee assessment will be accepted if we will not have enough time to process your request and make an informed decision to confirm your fee status before you are enrolled on the course. If you commence your studies as an overseas fee payer, without a fee assessment, you will remain an overseas fee payer for the duration of your course, unless there is a significant change in your immigration status and at the University's discretion.

You can see the 'Disclosure of Criminal Convictions Policy and Procedure' [here](#)

How to Pay (you will need to quote your Student ID number and full names when making payment):

- Directly over the phone with an acceptable credit/debit card, by calling us directly on **+44 (0)24 7765 2152**
- Online (for the Coventry Campus): [here](#)
- By bank transfer*** and other methods- see information [here](#)

*** In some instances, we may need to track your payment in order to process your application further, so please include a scanned copy of your MT103 form when you send us your evidence of payment by email.

Please note that students or 3rd parties may no longer be able to pay in Cash deposits at the branch counters at some UK banks. So we strongly advise you make your tuition payment(s) using one of the options highlighted above.

Tuition Awards and Scholarships

If you have been awarded a tuition award or scholarship, you will only be able to apply them onto your final tuition payment (not towards your second instalment). If paying your full fees upfront, at once before enrolment, we recommend that you deduct the value of the tuition award or scholarship before making your full payment. Refunds could take numerous weeks to process.

Academic Progression

If you have ever studied in the UK prior to joining the University, you must provide details of any study undertaken, including results and copies of visas held. You should also inform us of any courses you have failed or failed to complete for any reason. Failure to disclose this may result in visa refusal or withdrawal of our sponsorship of your study in the UK.

Sponsored Students

If you are being sponsored by a UKVI approved organisation (such as your Government or your employer), please ensure you provide us with a formal and acceptable letter of Sponsorship confirming the terms of the sponsorship, in accordance to the tuition and maintenance fees stated above.

If you are under the age of 18 at the time you accept this offer, you need your parent or guardian's consent and you must fill in the form providing us with contact details of a UK-based parent/guardian, who will be accessible to the University should the need arise.

We will not issue your CAS letter if this form is not completed fully and returned to us.

Alternative Offers

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three year BA (Hons) degree is available for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4 year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

Applying for an ATAS Certificate (if required)

If any of your subjects are listed in the attached ATAS list, you must apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. **If your course is not listed, it MAY STILL require ATAS, so please ensure you check the Home Office website for updates.** Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate **if required** and obtain more information on the scheme.

If an ATAS certificate is required, you will not be granted access to your learning materials or be permitted to enrol onto your course until you provide a relevant ATAS certificate to the University.

Data protection

The University has a comprehensive Data Protection Policy which can be found on our website.

You can find out more about how the University handles student data and your rights in relation to data protection in our Fair Processing Notice for students a copy of which can be found on our website at

<https://www.coventry.ac.uk/the-university/gdpr-and-data-protection/fair-processing-notices-and-ico-registration-numbers/>

It is important that you read this Fair Processing Notice as it will tell you what personal information we collect from you, why, what we do with it and who we may share it with.

Personal Details

Please notify us if you change your address, email or telephone contact details so that we will keep in touch with you until enrolment. Good luck with your preparations and we hope you will be able to join us at the University soon. If you have any further queries please do not hesitate to contact us.

Yours Sincerely
