## Report on Environment Day Celebration

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. The aim behind organising the Environment Day was to create awareness among people about the importance of keeping the environment clean as well as saving it. Keeping this aim in view, Department of Civil Engineering, K S School of Engineering and Management celebrated World Environment Day on the 10<sup>TH</sup> of June 2022. The program started at 10 AM. Then, as a special drive for Environment Day, the Management of KSSEM, the Principal and the Head of Civil Engineering department along with faculty members, planted a sapling in the college premises. The event was conducted successfully with whole hearted participation and awareness about plants.
