SEAT ALLOTTED

EC

Respected Sir,

Sub: Request for concessional seat for my daughter in Engineering.

I wish to inform you that my daughter C. Thanusha has secured 88% in PVC, Board of Intermediate Education, A.P. She is willing to study B.E in computer science and engineering (or) Artificial Intelligence & Data Structure. I am a agriculturist.

It is very difficult for me to meet the education and family expenses with my meagre earnings. Hence, I am not in a position to pay the fee.

Therefore, I request your good offices to kindly sanction concessional seat for my daughter considering my poor financial background and help her to pursue her studies.

Thanking You,

Yours sincerely,
